The Verdery Guitar Series

Frederic Harris Music

The Verdery Guitar Series is an eclectic and enticing collection of works by many of today's leading composers for classical guitar, compiled and edited by

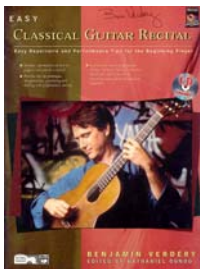

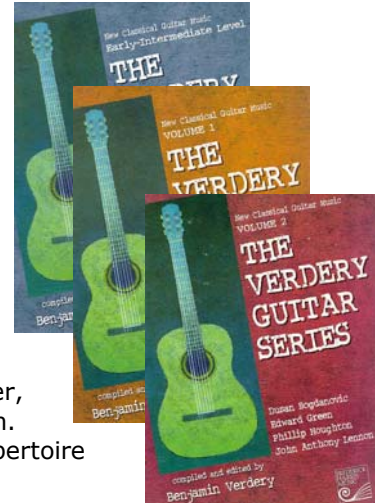

Benjamin Verdery. This set of unique, contemporary works will provide a source of much-needed new repertoire for students and performers alike.

Fingering

suggestions have been provided by the composers in collaboration with Benjamin Verdery.

Volume 1 and *Volume 2* present works in a variety of styles both challenging and accessible for intermediate and advanced level guitarists. Composers represented in these two volumes: Daniel Asia, Bryan Johanson, David Leisner, Dusan Bogdanovic, Edward Green, Phillip Houghton and John Anthony Lennon.

The most recent in this series, *Early-Intermediate Level*, provides exciting repertoire for guitarists at that level.
